KITTY HAWK POLICE DEPARTMENT *Rx Drug Drop Box Program*

The Kitty Hawk Police Department has acquired an Rx Drug Drop Box through the National Association of Drug Diversion Investigators (NADDI) which is a non-profit organization that facilitates cooperation between law enforcement, healthcare professionals, state regulatory agencies and pharmaceutical manufacturers in the prevention and investigation of prescription drug diversion.

Most prescription medications should not be flushed down the toilet or thrown into the trash. The NADDI Rx Drug Drop Box program addresses a vital public health and safety issue. Medicines that languish in home medicine cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high. Studies show that individuals that abuse prescription drugs often obtain them from family and friends, including from the home medicine cabinets.

Through a grant from Endo Pharmaceuticals, the NADDI Rx Drug Drop Box program will increase the ability for patients to easily and properly dispose of unneeded, expired, or unwanted medicines.

There is a great need for a permanent solution in which these medicines can be properly disposed of quickly and anonymously. This secure mailbox style box is now permanently located inside the Kitty Hawk Police Department lobby where citizens can walk in and deposit their unwanted, expired medicines during normal business hours. If a Kitty Hawk resident is unable to get to the Police Department, they can call us at **252-261-3895** and request that an officer come by their residence and pick up the medication for disposal.

The Normal Business Hours for the Kitty Hawk Police Department are:

Monday thru Friday 8:30 a.m. until 5:00 p.m.

This office is closed most major holidays.

The North Carolina Department of Transportation (NCDOT) and the Albemarle Rural Planning Organization (RPO) will hold a Public Drop-In Session/Informational Meeting here in Kitty Hawk regarding the Dare County Comprehensive Transportation Plan.

Monday, December 16, 2013

4:00 pm - 7:00 pm

Kitty Hawk Town Hall

101 Veterans Memorial Drive

Kitty Hawk, NC 27949

Meetings will also be held on Thursday, December 5, 2013, between 4:00 pm - 7:00 pm at the Dare County Administrative Building, Room 168, 954 Marshall C. In cooperation with Dare County and the Albemarle RPO, the NCDOT has developed the DRAFT Comprehensive Transportation Plan (CTP) for Dare County. This Plan addresses the long-range transportation needs of Dare County by identifying existing and future transportation deficiencies. The recommendations outlined in the Plan are intended to be used as a tool for local officials to make future transportation decisions.

NCDOT representatives will be available in an informal setting to answer questions and receive comments about the CTP. The opportunity to submit written comments and/or questions will be provided. All interested citizens are invited to attend at any time between the hours of 4:00 pm and 7:00 pm at the Manteo location on December 5, or on December 16 at the Rodanthe or Kitty Hawk locations. Please note that there will be no formal agenda or presentation. The purpose of these meetings is to provide information and gather citizen comments.
